A short time since there was a rope thirseen miles in length manufactured at the Alameda rope factory. It is to be used for leep sea soundings.

A fellow recently captured in Texas is supposed to be one of the gang that, some time since, robbed the stage between Austin and San Antonio. It is conceded by the New Orleans pa-pers that the damages of every description om the overflow will not exceed \$17,500.

Texas has one hundred and torty news

Mrs. Mary Clemmer Ames beautifully beerves that "Charles Sumner lived and led a moral hero to women." The only woman who had an opportunity to know umper intimately hinted at something different in her application for a divorce. Clarence F. Buhler sends to the New remation. The second stanza reads as district : billows: "No longer let the insatiate Howeve

mbers who could not afford to hold, at O ceuts. Immediately the atoresaid buy-

bert, of South Carolina, nave neen inneed by the Republican grand jury on charges of breach of trust with frauduient intentions, and for grand larceny. Solicitor Butta moved that Judge Graham issue a bench warrant for the arrest of the parties. The judge reserved his decision.

The Mexican outrages on the Texan border continue with unabated vigor and industry. Citizens are murdered, ranches laid weate, and vast numbers of cattle and horses daily driven off. But the "government" is deserted, surrendered to the waters that reign tyrannically over all. Above this desolation wave the trees, the wind playing many? horses daily drives off. But the "govern-ment" is, just now, too busy with the Princess Nellie's wedding and trousseau oarcasses of dead cattle, with now arrangements, to notice such trifes as and then the corpse of a human the devastation of 500 miles of border ter-being, and all is silence, destruction and death.

### THE GHOST OF BANQUO.

CONNECTICUT'S NEW SENATOR. Tuesday of last week, Hon. Wm.

W. Eaton, of Haitford, was elected to the United States Senate, by the legislature of Connecticut.

Mr. Eaton is a sterling, inflexible undeviation in a sterling, inflexible undeviation. The

petting to the legislature, "calling on the present assembly to disperse, and go quietly to their homes, that the public may be benefitted."

The quarrel in the royal household of Edinburgh absent themselves from the entertainments at the queen's drawing rooms. It only proves that people are never too great to be little.

Don Carlos Pie, the Spanish consul at New Orieans, is crusty, for he has been compelled to give \$20,000 bonds on sharpe of robbery. His government, which is not accustomed to minor matters, will probably impeach Pie.

Vasquer, the California robber, has been captured, and now languishes in prison at Los Angeles. He is as noted on the Pacific coast as the Youngers and Jameses are here, but affirms that he never killed a man in all his depredations.

Mrs. Mary Clemmer Ames beautifully

The quarrel in the royal household of Edinburgh absent themselves from circulation until the total greenback circulation shall be trained from circulation in the liberty. It means peace, virtue and prosperity, such as was seen in the dospority, such as was seen in the dospority, such as was seen in the liberty. It means peace, virtue and prosperity, such as was seen in the liberty. It means peace, virtue and prosperity, such as was seen in the dospority, such as was seen in the liberty. It means peace, virtue and prosperity, such as was seen in the liberty. It means peace, virtue and prosperity, such as was seen in the liberty. It means peace, virtue and prosperity, such as was seen in the liberty. It means peace, virtue and prosperity, such as was seen in the liberty. It means to define the prosperity, such as was seen in the liberty. It means peace, virtue and prosperity and an archae in the best prosperity, such as was seen in the liberty. It means peace, virtue and prosperity and an archae his prosperity and an archae prosperity, such as was seen in the liberty. It means peace, virtue and prosperity and an archae prosperity and an archae prosperity and prosperity and prosperity and prosperity and prosperity an who, when their own peril was over, have fought step by step and most bitterly, every proposition looking towards the extension of a similar favor to the West and South. Time will settle all these little accounts, however, and perhaps those the most injured can wait the longest.—[Ex.

## A PEN PICTURE.

A correspondent of the St. Louis Globe gives the following sad picork Times a "poem" on the subject of ture of affairs in the overflowed

The prosecution was instigated by enemies of the prohibitory law, to bring it into discrepute.

Prof. Swing, of Chicago, has been trumphantly acquitted. He was accused of heresy, and it is right hard to convict a sman of that, while all the standards of right and wrong are wavering as the seahand orthodoxy takes as many divers shades as a peck-basket of prismatic chambelons.

Governor Moses and ex-Treasurer Humbert, of Buth Carolina, have been indicted by the Republican grandjury on charges.

It the of the inundated territory can be seen from the river, and no possible method to design the first south Carolina be seen from the river, and no possible estimate be predicated upon what is visible. The banks present but a forest, washed by a rushing the unphantly sequitted. He was accused of heresy, and it is right hard to convict a sea, and whole towns staggering thouser. The war for the constitution is not over. It has been crushed in one section, under a false orry chantman that was sent out by the unstreamed the treachery of peace.

Governor Moses and ex-Treasurer Humbert, of Buth Carolina, have been indicting the first South Carolina and the triangle over Louisian were commanded by Lafitte. Among were commanded by Lafitte. Among the many rich prizes that fell in the civil war of Arkansha. It speaks all along the lines in toges of the many rich prizes that fell on the over the bands of these men who had become a terror to the seamen of the trumphrate. The war for the constitution is not over. It has been crushed in one section, under a false orry chantman that was sent out by the united that the close of the war. He has been a mention of the storm is not over. It has been crushed in the carolina have been indictions of the Confederates in not over. It has been crushed in the triangle of these world by their daring and the triangle of these transplants of the seamen o

The Rural New Yorker goes for the panot exactly accord with the view taken by some of our western exchanges: "We notice that this 'erder is attracting some attention. We cantion our readers against it. So far as we are informed, we have reason to believe it a swindle of the first it. So far as we are informed, we have reason to believe it a swindle of the first class, and its originator an irresponsible adventurer. He has 'taken in,' if we can trust the testimony which has come to us, several would-be patrons or husbandry, and will initiate more if he gets a chance, in a way that will afford the neophyte no profit whatever."

Military History

W. Eaton, of Hastford, was elected to the United States Senate, by the legislature of Connection. Mr. Katon is asterling, inflexible, undersiating. Democrat, devoted to the cardinal principles of the old party, and always distinguished for his factors in dependence and zeal in proclaiming and defending them. In early feeding the senate of the senate

cause of the Union. Mr. Sumner, just before his death, is reported by a distinguished journalist of Penn sylvania, to have used this language

"Abl I won't live to see it, but you will, gentlemen; you will if you live to be as old as I am now; you will see the streets of our cities run with blood, and the blood will be the blood of our own peeple shed by our own peeple. The future of America looks very, very dark to me."

With Fred Hackett for a friend, immy Sauds had no reason to fear business, I believe!" ridicule or abuse; and it was not long before he ranked among the best dressed boys in school. Mothers and sisters were not to be outdone in kindness by their sons and brothers. Undimmed eyes saw where replied the minstrel, "but it is so much better than my father's that I am rather proud of it."

The woman whom poverty and in-firmity bad disheartened, thanked God and took courage once again. The winter snews drifted hoavily against the kitchen door, but there was plenty within, and a cheery voice ever recounting the mercies which gladdened berlife. —[Christian

this escort to Moxico, also carried gold treasure to the amount of more than ten millions of dollars.

The vessel was captured after a desperate struggic, the treasure was been desperate struggic, the treasure was been fit, though by so doing she would not have interfered with ther departure, as she released, and being mortified and

## CREMATION.

This salutation was not uttered Opinion of an English Bishop Reaurrection Objection Disposed of.

ly consecrated the additional land ground in connection with the charch of St. Peter's, Halliwell, Boston, and in the course of his sermon he referred to the subject of cremation. After having referred had been proposed by eminent London physicians that, instead of burying our bodies in the groundsanitary mischief and a great loss of bodies; and it was now a question of the cremation of bodies instead of their interment. He felt a sort of shudder at the idea of burning the dead, and yet the time might come when the idea would have become familiar to their minds, and in a hundred years or so it might, per-haps, become the custom for bodies to be burned. People who had believed in immortality had in pre-vious times burned the bodies of their dead. The ancient Romans Spanish prince to his own vessel, and departed for Calcasien bay, on the western coast of Louisians, but afterwards deposited it in the chalky cascades on the Sabine river, near the present city of Orange, where it was discovered and again stolen by a roving band of Tehracana Indians, and conveyed on ponies to their hunting ground on the famous hill in Limestone county which bears their name.

A knowledge of their great treasure was communicated to other tribes by a squaw who deserted her tribe to follow a Beadeye lover, and the warriors of that tribe called on the Comanches to assist them, and they attacked the Tehracana stone.

The the one to be forgiven, was Toroite of their dead. The ancient Romans believed in immortality had in previous times burned the bodies of their dead. The ancient Romans believed in immortality had in previous times burned the bodies of their dead. The ancient Romans believed in immortality had in previous times burned the bodies of their dead. CHAIR.

Each boy had a strong, old-fashioned hand sled, and a basket of lunch.

Washington Correspondence of the New York Regald.

The half of the House of Representation of the House of the House of Registering the House of Representation of the House of House of the House of Representation of The hall of the House of Representatives during this session has been the scene of events of more than ordinary historical interest. At the beginning of the session there came the ward, attenuated form of the Vice President of the Southern Confederacy, the cynosure of all eyes. With a grace as delicate as it was magnanimous, the House accorded him the privilege, extended only to one other, of selecting his seat, without the usual form of drawing by lot; again, when he spoke for the first time, the House massed itself about him, eager to hear every word from the infirm veteran, and gave

What for no have got. It must be they did, was the reply. God is very good to us. I'll never be discouraged again. I won't either, grandma. And Fred Hackett said it all happened guests that they had been saved from drinking the milk of either a sow or drinking the milk of either a sow or

It is related of George Clark, the wants this winter. We've got celebrated negro minstrel, that, be-enough wood to keep a good fire, ing examined as a witness, he was and this lot of victuals is just as though God had sent it right down his evidence.

"You are in the negro minstrel lawyer.
"Yes, sir," was the prompt reply.
"Isn't that rather a low calling?"

demanded the attorney.
"I don't know but what it is, sir," am rather proud of it."
"What was your father's calling?"

"He was a lawyer!" replied Clark, in a tone of regret, that put the au dience in a roar. The lawyer let

"Nothing," said an impatient husband, "reminds me so much of Baisam and his ass, as two women stopping in a church and obstructing the passage to indulge in their everlasting senseless talk." "But you seem to forget, my dear," returned the wife meekly. "that it was the angel who stopped the way, and Baisam and his ass who complained of it."

It will be lateresting to certain St. Louis judges, who are tender on the subject of being reversed, to learn that a western justice of the peace has had one hundred and thirty of his one hundred and thirty of the object by the higher court. An all-wise Providence got away with the other five before the higher court could set,
